GRAPHIC SOLUTIONS GROUP PURCHASES THE SELECTIVE ASSETS OF GRAPHIC SUPPLY INC.

February 1, 2007 – Dallas, Texas- Graphic Solutions Group, Inc. a leading distributor in the printing industry continues to expand in the Tulsa, Oklahoma area.

Part of the parent company Graphic Electronics Inc., Graphic Supply Inc, a screen-printing supply company in Tulsa, Oklahoma recently announced they were ceasing operations. In order to continue expansion in the region GSG purchased certain assets of Graphic Supply Inc. Assets purchased included phone numbers, yellow page advertising, and website addresses.

Mark Granberry, President and owner said, "GSG currently supplies screen printing, sign and digital products from its Tulsa branch that opened in April 2006. We have been in the supply business in Oklahoma since the sixties formerly as NEO Sign and Screen Supply." GSG hopes to continue relationships with Graphic Supply customers by providing in stock products and free delivery to Tulsa Metro and many surrounding areas.

About GSG

Based in Dallas, GSG (formerly Graphic Solutions Group, Inc.) was created through the 2001 merger of three longstanding companies: Texas Sign Supply Company, Texas Screen Process Supply Company and Neo Sign Supply Company. Today, GSG partners with over 100 leading suppliers to offer more than 12,000 in-stock products to the sign, digital imaging and screen-printing industries in the southern and southeastern United States.
