**GRAPHIC SOLUTIONS GROUP INTRODUCES NEW BRAND PROMISE WITH
THEIR CATALOG.**

February 8, 2006 – Dallas, Texas- Graphic Solutions Group, Inc. has introduced a new brand promise that effectively relays the message of quality products and service to our customers. Going forward the message “THE RIGHT PRODUCTS, RIGHT AWAY” will appear on catalogs, marketing flyers, website pages, and at trade shows. With over 12,000 stocked products and offering delivery service to over 150 cities covering six states, GSG is committed to helping their customers succeed in business. Our account representatives and support staff are highly experienced professionals capable of providing not only the right products, but also offering the best technical advise and service the industry has to offer.

Released this month is the new Commercial Sign and Digital catalog for 2006. This full color catalog features a wide range of products and services along with current pricing. Please contact your sales representative to request a catalog or request via email by sending an email with Catalog in the Subject to marketing@gsginet.com.
