Carworx OPTIMUM GOLD is a premium quality sandpaper with excellent cutting capabilities and an exceptionally long service life. Thanks to a combination between the new system of aluminum oxide distribution and special stearate, OPTIMUM GOLD provides superior cutting performance while resisting clogging, prolonging the efficiency of the abrasive while improving the quality of the finish. Ideal for contour sanding.

### FEATURES

- ✓ Premium quality sandpaper
- ✓ Longer-lasting life
- ✓ Versatile
- ✓ Excellent cutting capabilities
- ✓ Ideal for contour sanding
- ✓ Patented paper backing

### SECTORS OF APPLICATION

- ✓ Auto Repair
- ✓ Building & Decoration
- ✓ Compound Materials
- ✓ Do It Yourself
