

## EasyPSV® Brushed

EasyPSV® Brushed is the best way to add a sleek sheen to everyday objects!

Mimicking a brushed metal surface, this vinyl has a shiny finish that's perfect for a wide variety of designs. *EasyPSV* Brushed is just glossy enough to make artwork stand out without being overly flashy.

Like most *EasyPSV* products, Brushed can be applied onto a variety of surfaces like wood, plastic, glass, metal, and more for both indoor and outdoor applications.

*EasyPSV* Brushed can be layered with other *EasyPSV* products.
