SCISSORS 8" BENT Gingher Serrated/Knife

The Gingher 8 inch Dressmaker
Shears have a versatile longer
length cut and blades strong
enough to trim and cut multiple
layers of fabric effortlessly. The
longer cut is ideal for cutting out
patterns and trimming seams.
Gingher's precision ground
knife edge cuts flawlessly all the
way to the points. The bent
handle allows for smooth

comfortable cutting across a tabletop or counter. Use a G-S
sharpening stone for blade maintenance.

SCISSORS 4" CURVED TIP Ginger Large Loops The Ginger 4" Curved Embroidery Scissors

Slightly thicker blades allow this scissors to be used for cutting one layer of fabric, needlework, embroidery or paper crafts. The curved, narrow blades and sharp points enable close cuts while working above the work surface. These scissors have a double-plated chrome over nickel finish and includes a fitted leather sheath and

collectable tin for storage. Use a G-S sharpening stone for blade maintenance.

SCISSORS NIPPERS Ginger sharp pt black

4 inch featherweight thread clips, stainless steel blades, black glass-filled nylon frame, with protective safety loop cap

The glass-filled nylon frame lends strength to these featherweight thread clips weighing only 1/2 ounce. Stainless steel blades are

welded into place. This model has very sharp points which are useful for pulling threads and reaching into tight spots for thread cutting. The protective cap allows safe carrying in purse, pocket, or luggage and safe stowage in your sewing basket. The cap is fitted with a loop to enable the user to attach a ribbon for hanging this indispensable tool around the neck while working. You may like these clips so much that you want more than one around your house. This is also a great item for cutting fishing line and fly-tying.
