

FERROWALL

MAGNETIC DISPLAY SYSTEM

A magnetic display system to help you transform a blank space into an ever-changing attraction. FerroWall is lightweight and simple to install so you can easily alter the layout whenever you wish.

USE ONE OF TWO WAYS:

- 1** Apply 1-sided adhesive back MAGNETIC permanently to your surface. Then utilize PRINT MATERIAL to change your graphic.
- 2** Or, paint the wall with RECEPTIVE PAINT, add 2-sided MAGNETIC. Then utilize PRINT MATERIAL to change your graphic.

PRINT MATERIAL

Matte, white printable magnetic receptive media. Suitable for latex, solvent, eco-solvent and UV printing. Available in different sizes and thicknesses.

7 mil, 54" x 100'
FWMP07MWP-54100

7 mil, 60" x 100'
